NB: A detailed breakdown of governors is available from the school website**4. ETHOS & AIMS**

A St Neot's education is full of fun and good humour. We want every child to enjoy their time at school, to feel part of a community that holds family values at the core. We are determined that our children not only learn outdoors but learn about the outdoors. We want to create well-rounded, independent thinkers that are not only confident in their academic ability but hold the soft skills necessary for Senior School and the world ahead.

The St Neot's Way is

- Where we promote a true sense of community, family values, a love of the outdoors and a commitment to having fun.
- Where every child comes into school feeling safe, valued and with a broad smile on their face; and who returns home with uplifting stories to tell.
- Where a first class, personalised, rigorous academic journey is matched by an enriching, broad and challenging co-curricular programme.
- Where the children's character, contribution and service is as valued as their academic success.
- Where the children's physical wellbeing is surpassed by their mental wellbeing.

- Where highly skilled, passionate and dedicated teachers, working in first class facilities, are full of ambition for themselves and the children in their care.

5. RELIGIOUS AFFILIATION

We are a Christian ethos school but we recognise that many pupils come from homes that follow other faiths or have no strong religious affiliation.

6. POLICY DOCUMENTS

The school has an extensive range of detailed policies which are available to parents including the following: Admissions, Special Educational Needs and Disability, Curriculum, Behaviour, Anti-Bullying, Safeguarding, Complaints, Health and Safety, First Aid, RSE, Risk Assessment, Accessibility Plan, E Safety, Equal Opportunities, Inclusion and Cultural Diversity, all of which are on the School website and available from the Head's PA in hard copy or electronically.

There are further policies available on our website. We are always happy to provide further details upon request.

Parents can also request particulars of the School's academic performance during the preceding school year.
