4. ETHOS & AIMS

Shaping Brighter Futures

We provide an inspiring and joyful education that will be remembered for a lifetime and which empowers our children with the confidence, knowledge, skills and character to thrive. We are shaping brighter futures.

School Aims:

At St Neot's education is full of fun and good humour. We want every child to enjoy their time at school, to feel part of a community that holds family values at the core. We are determined that our children not only learn outdoors but learn about the outdoors. We want to create well-rounded, independent thinkers that are not only confident in their academic ability but hold the soft skills necessary for Senior School and the world ahead.

The St Neot's Way is:

- *Where we promote a true sense of community, family values, a love of the outdoors and a commitment to having fun.*
- *Where every child comes into school feeling safe, valued and with a broad smile on their face; and who returns home with uplifting stories to tell.*
- *Where a first class, personalised, rigorous academic journey is matched by an enriching, broad and challenging co-curricular programme.*
- *Where the children's character, contribution and service is as valued as their academic success.*
- *Where the children's physical wellbeing is surpassed by their mental wellbeing.*
- *Where highly skilled, passionate and dedicated teachers, working in first class facilities, are full of ambition for themselves and the children in their care.*

5. RELIGIOUS AFFILIATION

We are a Christian ethos school but we recognise that many pupils come from homes that follow other faiths or have no strong religious affiliation.
